

How to Order Groceries for Pick-Up from Kroger

Order your groceries for “Pick-Up” and a Blaze Foundation volunteer will pick up your groceries on the scheduled day and deliver them to your door free of charge!

Ordering groceries for pick up from Kroger is FREE and it is EASY once you set up an account.

First, you will need to **set up a Kroger account** if you don’t have one already. If you already shop at Kroger, you probably have a Kroger Shopper’s card, so you already have an account. If you don’t have an account, then it is easy to set up and you only have to do this once.

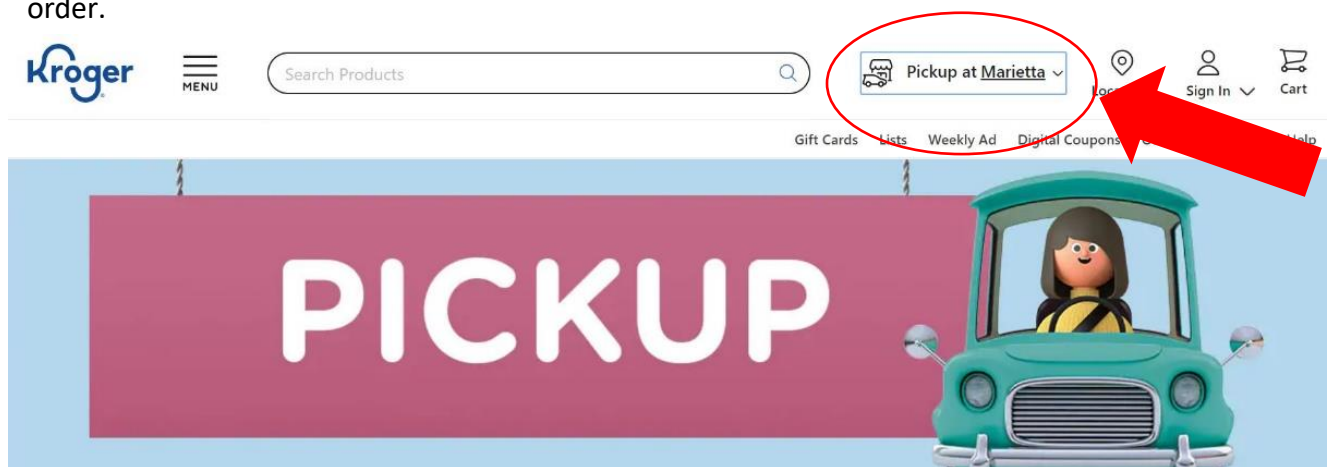

1. Go to www.Kroger.com
2. Click “Sign In”
3. Sign in with your email address and password or click “Create an Account” if you don’t have one already. (Note: If you click “Keep me signed in” you won’t have to log in every time that you place an order.)

The image shows the Kroger website's sign-in page. At the top is the Kroger logo. Below it is the text "Sign In" and "Sign in to your existing Kroger account". There is a "Sign in with Google" button. Below that is an "OR" separator. Then there are input fields for "Email Address" and "Password". A "Forgot Password?" link is next to the password field. There is a checkbox for "I'm on a personal device, keep me signed in. [Learn More](#)". Below the checkbox is a blue "Sign In" button. At the bottom, there is a "New to Kroger?" section with a "Create an Account" button.

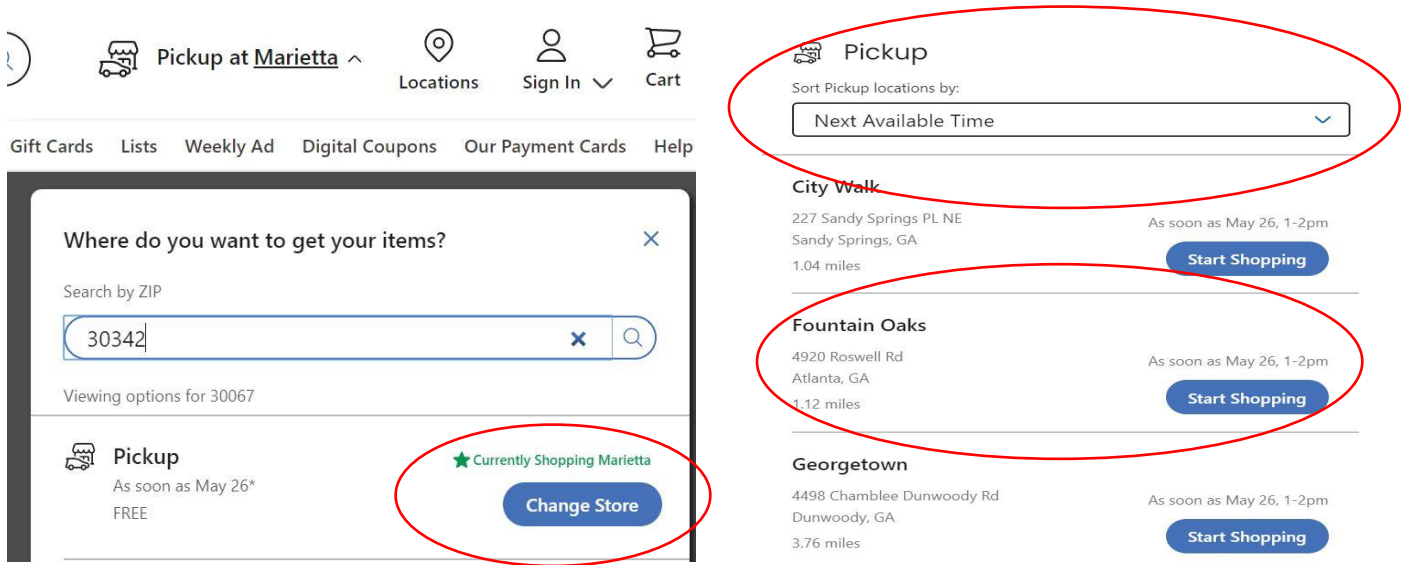

Select the Store Location close to you:

1. Choose Pickup at your store location. If it doesn’t say “Pickup at your store location” then click on the drop down box at the top of your screen to select “pickup” and the store where you want to place your order.

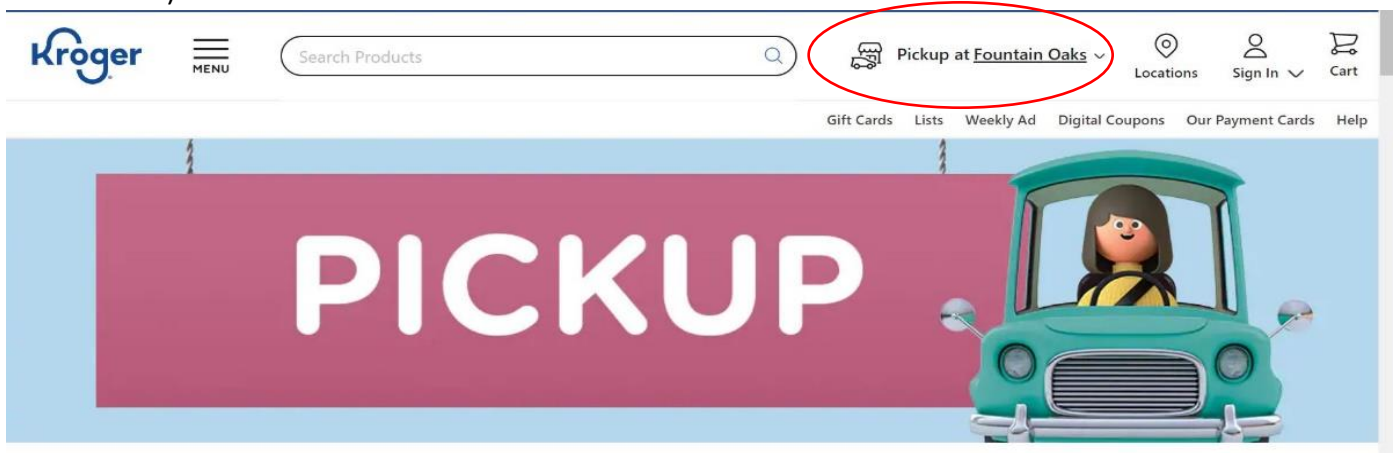

FREE pickup lets you shop online and choose a pickup time that's convenient for you. Then we'll carefully pick your order and bring it out to your vehicle when you arrive.

2. Choose the store close to you by entering your zip code and clicking the search icon (the magnifying glass). Note: Be sure to select a zip code in one of our locations if you would like us to deliver your groceries to you). If you've ordered groceries from Kroger before, the pickup location should default to your favorite Kroger store, but always confirm the location! Enter your Zip Code and click "Change Store" then select the store near you. Then click "Start Shopping".

3. Now the store you want to order from will show up at the top of your screen.(It's a good idea to confirm):

Note: Once you set up your pickup location, it should default to this store for future orders as well so you should only have to go through these first 3 steps the first time you order. But, it is still always a good idea to confirm your store shows up at the top of the page before you place your order!

Now you are all set to start shopping and place your order!

Place Your Order:

4. Scroll down on the page and the items you typically purchase will probably show up at the bottom of the screen. Or you can type the item in the search bar. For each item you want to order, just click “Add to Cart”.

A few tips:

- If you want to order more than one of an item click the + button to adjust the quantity (for example, bananas are sold by each banana not a bunch of bananas, so if you want 4 bananas, be sure to enter 4 in the quantity).
- Click “My Sale Items” to see things you typically purchase that are currently on sale.
- Click “My Recent Purchases” to see items you have bought recently if you want to add those to your order to buy them again.
- To use coupons, click “Digital Coupons” in the menu bar at the top of the screen. Then just click “clip” under the item you plan to purchase. The coupons will be applied when you check out.

Thank you for choosing Pickup!

 Look for pickup signs in the parking lot and pull into your parking spot.

 Call the number on the sign to let our associates know you're here.

 We'll bring your order out and load it into your car, then you can be on your way!

You have age restricted items in your cart.

7. Click “Continue to Payment” to enter your credit card information on the secure Kroger payment site.

8. You will receive an Order Number when you complete your order. You should also receive an email confirmation from Kroger showing that your order is complete.

9. Go to www.blazefoundation.org and select “Request a Service”.

10. Enter your information in the Blaze Foundation Service Request Form. Be sure to include your name and cell phone number so we can contact you along with your Kroger Order Number, Date, Time and store location for pickup. The volunteer does not handle any money transaction, so you never give the volunteer your credit card information.

That's It!

Now a Blaze Foundation volunteer will contact you via text message to confirm the date and time of the pickup and arrange where you would like your groceries delivered and dropped off (e.g., side porch, etc...). The volunteer will pick up your groceries at Kroger for you and deliver them to you free of charge. Once they drop them off, they will text you to let you know your groceries have been delivered.
